

SCHEDULED TREE MAINTENANCE PROCEDURES

THE POWER OF COMMUNITY

Visit bpu.com
for more info

TO HELP AVOID ELECTRIC SERVICE INTERRUPTIONS

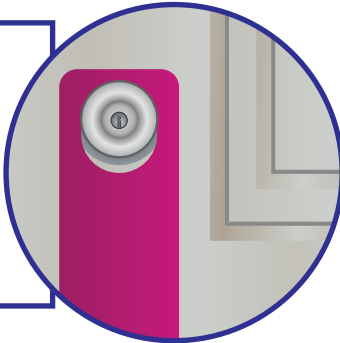

BPU trims trees in the public right-of-way based on a scheduled growth cycle.

TO NOTIFY YOU THAT TREE TRIMMING IS PLANNED for your neighborhood, BPU must have your correct phone number.

A CUSTOMER FEEDBACK DOOR HANGER

is left on the home by BPU's vegetation contractors.

TREE SERVICE COMPANIES CONTRACTED BY BPU ARE RESPONSIBLE

for tree debris removal once cycle maintenance trimming is complete.

OWNER IS RESPONSIBLE FOR TRIMMING TREES

around the service line. BPU can lower the service line before you trim; just ask for our Line Drop Service at 913-573-9535.

For tree trimming issues/concerns:

Call: 913-573-9900

! BPU OFFERS FREE ADVICE on tree trimming and planting the right tree in the right spot. Just call and leave your name and phone number.
